

# Argus Hub

*The Argus Hub is a secure online application connecting customers and the Argus products, making it easy to monitor and manage payments.*

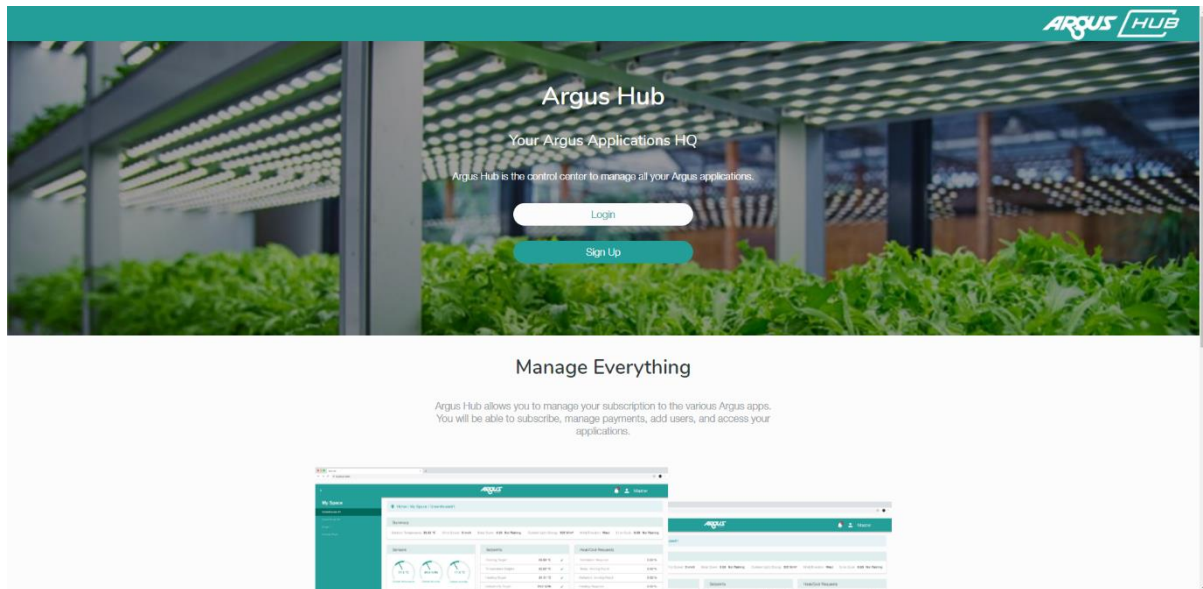

## Applications

With a live view of your operation, you can monitor, analyze and run your facility in real time, giving you full control whether you're at your desk or on the move.

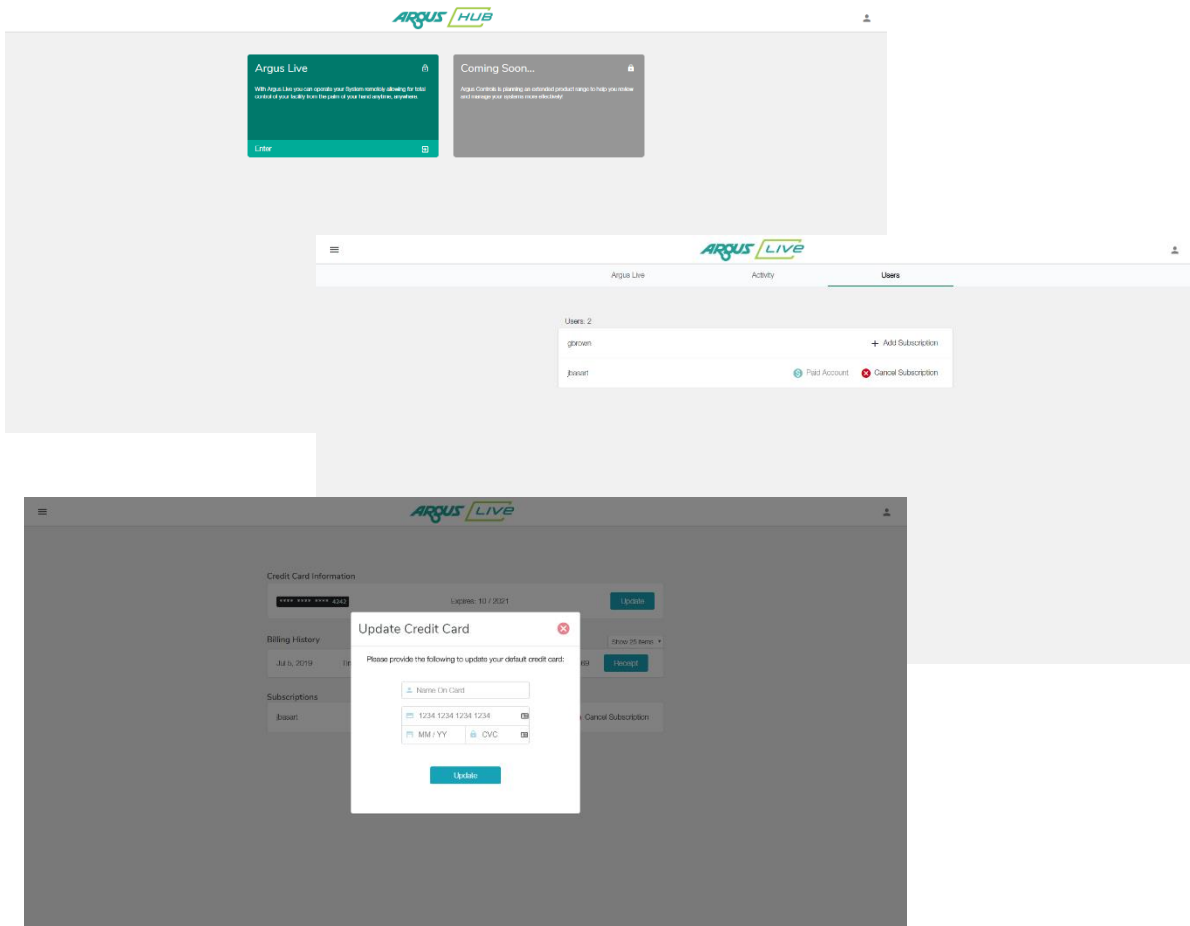

It is a safe, secure, and powerful enhancement to one of the most advanced environmental systems on the market.

To help your team maximize accessibility while minimizing costs, we offer both monthly and yearly subscriptions to this service.

## Features

- **Application Manager** – For all recurrent payment and subscription-based Argus products.
- **Manage Payments** – Handle your payments for Argus product subscriptions.
- **Access User Accounts** – Sign up and log into all user accounts through the Argus Hub
- **Manage your Applications** – Access and manage all your Argus subscription-based products through the Argus Hub.
